**Student's name:** Julia Weng

**Week of:** June 15-19, 2020

**Supervisor's name:** JoAnn Goslin

**Agency/Station/Company Office:** Bloomberg Law

### **My two main objectives for this week were:**

To write and publish a clip a day this week. And learn more from my edits, so I don't have so many red marks!

**I achieved these objectives: Yes \_\_\_\_\_ No \_\_\_\_\_ Partially \_\_\_X\_\_\_**  
**Explain how you achieved or why you did not achieve your goals. Be specific.**

I published 3 articles this week but I did get better on my edits!!

### **Describe the work you personally performed and observed.**

This week I wrote, "AT&T, T-Mobile, Puerto Rico Phone Get Aid in Hurricane-Hit Areas," "Dow Jones Faces Privacy Lawsuit Over WSJ Customer Data," "EssilorLuxottica, Compare.com Fix Ad Privacy Flaws, Group Says."

### **List the names and titles/positions of all the people you directly worked with this week.**

This week I worked with my mentor, Dan Stoller, who I co-bylined on my editors John Hughes and Keith Perine, and my internship supervisor JoAnn Goslin.

### **Describe any new skills or concepts you learned or important observations (about yourself or others) you made this week.**

I'm happy to see that I am keeping pace with the other interns, in terms of how many articles we have published thus far.

### **Describe any significant experiences, achievements, "aha" moments and/ or roadblocks you had this week.**

I really loved working on the "Dow Jones Faces Privacy Lawsuit Over WSJ Customer Data," article! I think the topics I enjoy most are facial recognition and data leak lawsuits.
